RETURN TO PLAY - GUIDELINES AND INSTRUCTIONS FOR PARENTS

1. Prior to any player returning to Moorefield GAA the parent or guardian must complete the questionnaire on the GAA online system. The link will be sent to you when it is available.
2. Parents must also confirm to the club that they have watched the GAA online education course. The link will be sent to you when available.
3. Prior to each training session or match confirm to the club coach that your child will be attending and that their medical circumstances as disclosed in the questionnaire have not changed. Please do not send children to training if they or anyone in the household is displaying COVID-19 symptoms. Please travel to training with only those from your household in your car.
4. Ensure that you (your child) has clean gear, clean (washed) hands and wears all necessary sports gear for the training session as dressing rooms will not be in use. Bring gloves, gum shields and a clearly marked, distinctive water bottle (while it is not mandatory to wear face masks while training, your child may wear one if you so wish).
5. Drop your child off at training. On entering the club, you will be directed to the drop off lane. Drop your child off and leave the club premises promptly.
6. After your child is dropped off they will be asked to sanitise their hands before putting on their gloves and entering the pitch.
7. Training will be conducted while adhering to physical distancing guidelines. Please remind your child of cough and sneeze etiquette and that spitting is not allowed.
8. Collect your child after training by entering the club grounds and parking in the car park. Please do not leave your car at this time.
9. After training if your child displays any symptoms of COVID-19 please inform your coach/the club immediately.
10. We would like to assure you that there is no pressure to return to play if you are not comfortable doing so and whenever you choose to return you will be very welcome.
11. Thank you for your cooperation.
