### **RETURN TO PLAY - GUIDELINES AND INSTRUCTIONS FOR PLAYERS**

1. Prior to any player returning to Moorefield GAA you must complete the questionnaire on the GAA online system.
2. You must also confirm to the club that you have watched the GAA online education course.
3. Prior to each training session or match confirm to the club coach that you will be attending and that your medical circumstances as disclosed in the questionnaire have not changed. Please do not attend training if you or anyone in your household is displaying COVID-19 symptoms. Please travel to and from training with only those from your household and do not car-pool.
4. Ensure that you have clean gear, clean (washed) hands and wear all necessary gear for the training session as dressing rooms will not be in use. Bring gloves, gum shields and a clearly marked, distinctive water bottle (while it is not mandatory to wear face masks while training, you may wear one if you so wish).
5. On entering the club you will be required to sanitise your hands before putting on gloves and entering the pitch.
6. Training will be conducted while adhering to physical distancing guidelines. Please be reminded of cough and sneeze etiquette and that spitting is not allowed.
7. Please depart the club grounds directly after training and do not congregate in groups. Team meetings should not take place before, during or after training sessions.
8. After training if you display any symptoms of COVID-19 please inform your coach/the club immediately.
9. If you are being dropped off, please inform those dropping you off that they are required to drop and leave the club grounds. After training, please ask those collecting you to park in the car park and remain in their car before collecting and departing the club immediately.
10. Thank you for your cooperation.
